\$75 per hour

Remote Tutoring is great when you just need a little help understanding how to do something and don't want to spend hours scouring the web trying to figure out on your own. Your time is valuable. Don't waste it!

A few examples of what we can help you with:

- Photoshop
- WordPress
- How to use Windows 7

To meet remotely, we will use either [LogMeIn](#) or [JoinMe](#)
